# President's Message

Dear Friends and Colleagues:

I am saddened that we had to cancel our 11th annual Korean American Satellite Symposium (KASS) that was scheduled in Boston. This meeting has historically been a joint effort between the Korean-American Otolaryngology Society (KAOS) and Korean Society of Otorhinolaryngology-Head and Neck Surgery (KORL-HNS) and supported by the American Academy of Otolaryngology Head and Neck Surgery (AAO-HNS). This meeting has been a great venue to share our clinical experience, enjoy great food and to foster friendships.

The COVID-19 pandemic has affected so many of us in the US and Korea. Despite these challenges, David Jang and Robert Chun did a great job coordinating the speakers and moderators for the upcoming International Symposia at the virtual AAO meeting. Please register for this meeting and support your colleagues. The presentations will be “Current Topics in Sleep Medicine: New Diagnostic Tools, Advances Surgical Options and Evaluating Benefits of Surgery” and “Update on the Latest Technologies and Devices for Otology, Rhinology , and Head and Neck Surgery.”

Finally I would like to thank the many individuals who have dedicated many hours in preparation for the KASS meeting. I would like to thank Professor Yang Sun Cho, Chairman of KSO-HNS for his support, Dr. Kenneth Lee for preparing for the scientific session, and Dr. Do Yeon Cho for the arranging the logistics of the meeting.

I look forward to seeing you in 2021 when we will meet hopefully in person in Los Angeles!

Albert Park, MD  
President KAOS

## The International Congress of ORL-HNS June 2020 in Seoul, Korea

- ICORL 2020 in conjunction with the 94<sup>th</sup> Annual Congress of Korean Society of Otorhinolaryngology – Head and Neck Surgery was a big success with over 1194 registered attendees.
- KAOS was honored to have 10 of its US members invited to participate but unfortunately could not attend due to travel restrictions related to COVID-19. We look forward to participating in 2021!

# KAOS @ The 2019 Academy Meeting New Orleans, Louisiana

- The 2019 KASS Symposia at the AAO-HNS meeting were a great success. Sessions this year focused on Facial Plastic Surgery and Cutting-Edge Endoscopic Surgery. Thanks to all the presenters and moderators their hard work and support.
- The Dinner Symposium featured Drs. Carl Snyderman and Dennis Poe. The lectures were fantastic, and we enjoyed great food, drink, and a fun evening for all.
